IMPORT
MOZILLA FIREFOX
BOOKMARKS

01 Open Firefox. Press **CTRL + SHIFT + B** simultaneously on your keyboard to open the library.

02 In the left panel, click on **All Bookmarks**.

03 In the menu bar, click on **Import and Backup** followed by **Import Bookmarks to HTML**.

04 Navigate to the location of your previously exported bookmarks (GoogleDrive, OneDrive, documents folder, flash drive, etc). Select your bookmarks file and click on **Open**.
