EXPORT
GOOGLE CHROME
BOOKMARKS

01　Open Chrome. Press **CTRL + SHIFT + O** (letter "O") simultaneously on your keyboard to open the bookmark manager.

02　Click on the Organize button (three white dots) located on the right side of the blue bookmarks menu bar. Then, click on **Export Bookmarks**.

03　Save your bookmarks to your preferred location (GoogleDrive, OneDrive, documents folder, flash drive, etc.).
